THE COURT has considered Mr. Velazquez's unopposed motion to proceed with the initial hearing and the final hearing regarding the revocation of supervised release by video or telephonic hearing, along with all the records and files in this case.

THE COURT FINDS that a video or telephonic hearing should take place as soon as practical because further delays in this case would cause "serious harm to the interests of justice." *See* General Order No. 04-20 (3/30/20).
